PERFUME OF WOOD VIOLETS.

This exquisite perfume is made from the true violets. In the past the high price of the genuine violet perfume has prevented many from indulging in this luxury, but the price of this article makes it a necessity to those who love the flower. The resemblance of the cheap imitations of violet water and extracts should not prevent all lovers of violets from trying this delicious perfume.

For Sale in 2 oz., 4 oz. and small size bottles, BY RESPECTABLE DEALERS.
